Please provide details of your current employment including your gross salary and a summary of the main duties of your job. Also provide details of your previous employment including a short description of the purpose of each job and the reason that you left. 5. Statement in Support of Application

6. Criminal Convictions

Applications for most jobs do not oblige you to mention spent convictions when applying for a job. A spent conviction is one that can be ignored after a rehabilitation period that is a set length from the date of conviction.

Under the Rehabilitation of Offenders Act, 1974 (Exclusions and Exceptions) (Scotland) Order 2003 applications for certain jobs, (generally where you will have substantial access to children or vulnerable adults) require you to declare all criminal convictions that you have had or any criminal convictions still pending. If you are applying for such a job you must declare all convictions including those that are 'spent' for other purposes under the Rehabilitation of Offenders Act, 1974.

The application form that you receive will guide you as to what type of convictions you are required to declare but if you have any doubt you can find more guidance here: <https://www.gov.uk/tell-employer-or-college-about-criminal-record>

7. Relationships to High Life Highland Staff/ Board Members

Please provide details of any High Life Highland Board member or employee of High Life Highland to whom you are related. Deliberately omitting to make such a declaration may disqualify an applicant or lead to dismissal if discovered after appointment.
